The Michigan Open Meetings Act (OMA) requires that public notice be given before a meeting of a public body is held. A public notice must contain the public body's name, telephone number, and address, and must be posted at its principal office and any other locations the public body considers appropriate. If a public body is a part of a state department, a public notice must also be posted in the principal office of the state department.

Date and time publicly posted: 10/10/2023 at 4:00 P.M.
